

KPMG Baltics is a part of a global network of independent member firms that can be found in 154 countries and employ 200,000 people across a range of disciplines. We provide Audit, Tax and Advisory services and industry insight to help organizations negotiate risks and perform in the dynamic and challenging environments in which they do business. Currently we offer:

Paid Internship at Accounting and Tax Team

You will work on real projects with more experienced colleagues as a full member of the team. **The internship entails prospects of a future career at KPMG in Lithuania!**

By joining KPMG you could:

- Assist experienced colleagues in provision of accounting and tax services both to Lithuanian and international clients according to local and international requirements;
- Meet KPMG accounting and tax experts and learn from them while working in different teams and projects;
- Take every opportunity that we offer for your professional growth and further steps in your career;
- Join our Social Responsibility team, actively plan and participate in various community service activities;
- Meet a new buddy who could be your advisor and foosball partner when needed.

If you:

- Are a final year student of Accounting, Finance or Economics;
- Can easily tune in with different people (in Lithuanian and English, both spoken and written);
- Stay motivated and achieve your goals even in difficult situations;
- Are eager to learn;
- Have financial accounting experience or experience working with any accounting software – would be a distinct advantage!

Interested? Excited? Ready to make your next career step and become part of the KPMG team? Apply via our career page by **filling the online registration form by 31 October 2018** and make this adventure begin.
